SOAL BAHASA INGGRIS KELAS IX - ASAS GANJIL TAHUN 2025 2026
MULTIPLE CHOICE

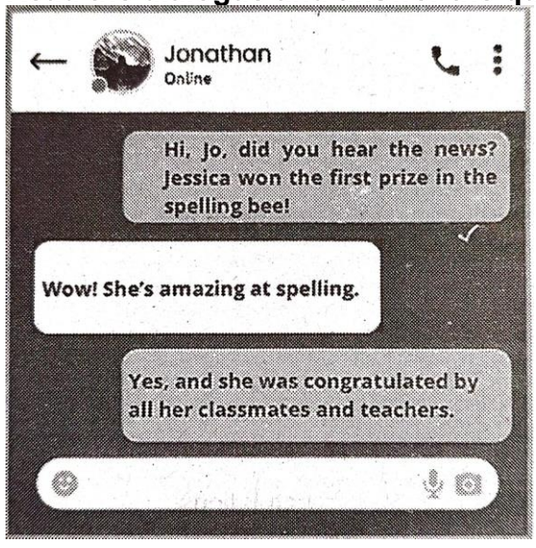
1. **Read the dialogue and answer the question.**
   Lina : I think we should join the art club this semester?
   Rani : I agree. I love drawing.
   Lina : The poster says they meet every Wednesday.
   Rani : I don't agree with the schedule. I have tutoring on Wednesday.
   Lina : Maybe we can ask if they have another meeting day.
   Rani : That's a good idea. Let's ask the teacher tomorrow.

   What is the topic of the conversation?
   A. Joining the art club.
   B. Buying art supplies.
   C. Talking about school holidays.
   D. Preparing for a tutoring class.
   ANS: A

2. **Read the dialogue and answer the question.**
   Lina : I think we should join the art club this semester?
   Rani : I agree. I love drawing.
   Lina : The poster says they meet every Wednesday.
   Rani : I don't agree with the schedule. I have tutoring on Wednesday.
   Lina : Maybe we can ask if they have another meeting day.
   Rani : That's a good idea. Let's ask the teacher tomorrow.

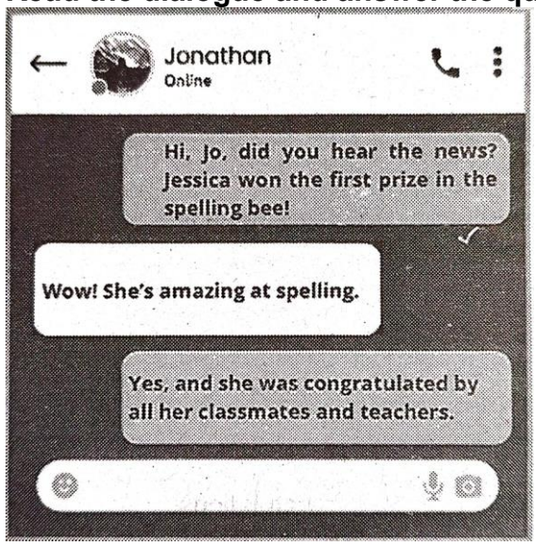
   What does Lina suggest to solve the problem with the schedule?
   A. Tell Rani to skip her tutoring session.
   B. Ask if they can meet on another day.
   C. Choose a different school club to join.
   D. Decide not to join the art club anymore.
   ANS: B

3. **Read the dialogue and answer the question.**



Who won the spelling bee?
A. The teacher.
B. The student.
C. Jessica.
D. Nobody.
ANS: C

4. **Read the dialogue and answer the question.**



What is the purpose of this chat?
A. To ask for help in preparing for contest.
B. To show how to study for spelling tests.
C. To explain how Jessica won a contest.
D. To give news about student's achievement.
ANS: D

5. **Read the text and answer the question**.

This is my family. I am taller than my brother and sister but my dad is the tallest. My mum is a vet and my dad is a teacher. I think being a vet is more interesting than being a teacher because you work with animals. I want to be an astronaut - think this is

the most interesting job! Being a vet is easier than being a teacher though, because teachers have to correct lots of homework. My job is the easiest - I'm a student!
According to the speaker, who is the tallest in their family?
A. The speaker.
B. The brother.
C. The sister.
D. The dad.
ANS: D

6. **Read the text and answer the question**.
This is my family. I am taller than my brother and sister but my dad is the tallest. My mum is a vet and my dad is a teacher. I think being a vet is more interesting than being a teacher because you work with animals. I want to be an astronaut - think this is the most interesting job! Being a vet is easier than being a teacher though, because teachers have to correct lots of homework. My job is the easiest - I'm a student!
Why does the speaker think being a vet is easier than being a teacher?
A. Vets don't have to study.
B. Vets get to play with animals all day.
C. Teachers have longer working hours.
D. Teachers have to correct lots of homework.
ANS: D

7. **Read the text and answer the question**.
This is my family. I am taller than my brother and sister but my dad is the tallest. My mum is a vet and my dad is a teacher. I think being a vet is more interesting than being a teacher because you work with animals. I want to be an astronaut - think this is the most interesting job! Being a vet is easier than being a teacher though, because teachers have to correct lots of homework. My job is the easiest - I'm a student!
What job does the speaker think is the most interesting?
A. Vet.
B. Student.
C. Astronaut.
D. Teacher.
ANS: C

8. **Read the dialogue and answer the question.**
Fuadi : I think doing regular exercise every day is one of the best ways to stay healthy.
Dhoni : I agree with you. I usually play basketball with my friend after school.
Fuadi : That's great! I also try to eat fruits and vegetables every day to stay fit.
Dhoni : I'm not sure about that. I don't really enjoy eating vegetables.
Fuadi : I understand, but vegetables have lots of vitamins that your body needs.
Dhoni : Yes, I know. I will try to eat more healthy food starting next week.
Fuadi : Good idea! We can remind each other.
What are Fuadi and Dhoni mainly talking about?
A. Ways they can stay healthy in their daily life.
B. Their favorite sports and hobbies at school.
C. How to improve their speaking skills in English.
D. Foods they like and dislike from the school canteen.
ANS: A

9. **Read the dialogue and answer the question.**

Fuadi : I think doing regular exercise every day is one of the best ways to stay healthy.
Dhoni : I agree with you. I usually play basketball with my friend after school.
Fuadi : That's great! I also try to eat fruits and vegetables every day to stay fit.
Dhoni : I'm not sure about that. I don't really enjoy eating vegetables.
Fuadi : I understand, but vegetables have lots of vitamins that your body needs.
Dhoni : Yes, I know. I will try to eat more healthy food starting next week.
Fuadi : Good idea! We can remind each other

Which of the following statements are in line with the dialogue?

1	Dhoni always eats fruits and vegetables completely.
2	Dhoni usually plays basketballs after school with his friends.
3	Fuadi encourages Dhoni to eat more vegetables for better health.
4	Fuadi says that watching TV helps people to stay healthy.

A. 1 and 4
B. 2 and 3
C. 3 and 4
D. 2 and 4
ANS: B

10. **Read the dialogue and answer the question.**

Fuadi : I think doing regular exercise every day is one of the best ways to stay healthy.
Dhoni : I agree with you. I usually play basketball with my friend after school.
Fuadi : That's great! I also try to eat fruits and vegetables every day to stay fit.
Dhoni : I'm not sure about that. I don't really enjoy eating vegetables.
Fuadi : I understand, but vegetables have lots of vitamins that your body needs.
Dhoni : Yes, I know. I will try to eat more healthy food starting next week.
Fuadi : Good idea! We can remind each other.

Dhoni says, "I'm not sure about that." What does it mean?
A. He has doubts with Fuadi's idea.
B. He agrees completely with Fuadi's idea.
C. He doesn't understand what Fuadi is saying.
D. He wants to change the topic of the conversation.
ANS: A

11. **Read the text and answer the question.**

The lime is a tart, green fruit that grows on a tree. It is the smallest member of the citrus family. Other citrus fruits include lemons, oranges, and qrapetruit.

Lime trees grow in many warm regions, including Southeast Asia, the West Indies, the region around the Mediterranean Sea, South America, and Central America. Brazıl produces most of tne world's limes. Mexico and the United States also grow limes.

Lime trees are short and shrub-like. They small leaves and sharp thorns The fruits develop nave from white, sweet-smelling flowers. Most lime fruits are round or oval in shape They are about 4 centimetres across. They have a thin, green skin, or

rind, that lightens to almost yellow as the fruit ripens. The pulp inside is pale green and juicy.

Limes have A sour taste because their juice contains a lot of acid. Even so, limes are a popular ingredient in many kinds of drinks, sweet desserts. and other foods. Limes are also a good source of vitamin C.

What part of the lime tree has strong fragrance?
A. The rind of the fruit.
B. The white flowers.
C. The small green leaves.
D. The pulp inside the fruit.
ANS: B

12. **Read the text and answer the question.**

The lime is a tart, green fruit that grows on a tree. It is the smallest member of the citrus family. Other citrus fruits include lemons, oranges, and qrapetruit.

Lime trees grow in many warm regions, including Southeast Asia, the West Indies, the region around the Mediterranean Sea, South America, and Central America. Brazıl produces most of the world's limes. Mexico and the United States also grow limes.

Limes have A sour taste because their juice contains a lot of acid. Even so, limes are a popular ingredient in many kinds of drinks, sweet desserts. and other foods. Limes are also a good source of vitamin C.

Lime juice contains a lot of acid, … it tastes sour.
The suitable conjunction to complete the statement is…
A. However.

B. Although.
C. Because.
D. Therefore.
ANS: D

14. **Read the text below and answer the question.**

A digital marketer is someone who helps businesses sell products or share messages using the internet. They work with websites, social media, emails, and online ads. Their job is to get people interested in what a company offers

Digital marketers make online posts, videos, or pictures to grab attention. They write messages, plan when to share them, and choose the best places to put them online. They also look at numbers and data to see what people like and what works best.

Digital marketers can work at offices, at home, or for different companies. Some work for big companies, while others help small businesses. They often use computers and phones to do their job, and they must keep learning because the internet is always changing.

Digital marketing is important because it helps businesses grow. It also helps people find useful products or services online. A good digital marketer knows how to connect with people and make messages clear, fun, and helpful.

A digital marketer needs to be creative and good at solving problems. They should know how write well, make designs, and understand how people think. It also helps to know how websites and search engines work. They often use special tools to track how well their work is doing. Being curious and ready to learn new things is very important in this fast-changing job.

How do digital marketers share information with the public?
A. By handing out flyers in person.
B. By putting up street signs of banners.
C. By posting content on online platforms.
D. By selling products using the internet.
ANS: C

15. **Read the text below and answer the question.**

A digital marketer is someone who helps businesses sell products or share messages using the internet. They work with websites, social media, emails, and online ads. Their job is to get people interested in what a company offers

Digital marketers make online posts, videos, or pictures to grab attention. They write messages, plan when to share them, and choose the best places to put them online. They also look at numbers and data to see what people like and what works best.

Cyberbullying

Cyberbullying is a type of bullying that happens through digital devices like phones, computers, or tablets. It often takes place on social media, messaging apps, or online games. Cyberbullying can include sending mean messages, spreading rumors, or posting embarrassing photos of someone without permission.

This kind of bullying can happen anytime and anywhere, which makes it harder for victims to escape from it. Many students who experience cyberbullying feel sad, lonely, or even afraid to go online. In serious cases, it can affect their mental health and self-confidence.

To prevent cyberbullying, students should use the internet wisely. They should not share private information or pictures carelessly. It is also important to report any bullying behavior to teachers or parents. Everyone must work together to make the internet a safe and friendly place for all users.

What is cyberbullying?
A. Bullying that happens through the internet or digital devices.
B. Bullying that happens between friends face to face.
C. Bullying that happens in school buildings.
D. Bullying that happens only during class.

ANS: A

18. **Read the text below and answer the question.**

Cyberbullying

Cyberbullying is a type of bullying that happens through digital devices like phones, computers, or tablets. It often takes place on social media, messaging apps, or online games. Cyberbullying can include sending mean messages, spreading rumors, or posting embarrassing photos of someone without permission.

This kind of bullying can happen anytime and anywhere, which makes it harder for victims to escape from it. Many students who experience cyberbullying feel sad, lonely, or even afraid to go online. In serious cases, it can affect their mental health and self-confidence.

To prevent cyberbullying, students should use the internet wisely. They should not share private information or pictures carelessly. It is also important to report any bullying behavior to teachers or parents. Everyone must work together to make the internet a safe and friendly place for all users.

Based on the text above what should students do to prevent cyberbullying?

A. Share their private photos.
B. Ignore internet safety rules.
C. Use the internet wisely and report bullying.
D. Keep silent about bullying.

ANS: C

19. **Read the text and answer the question**.

Global warming is the increase of the Earth's average temperature because of human activities. It happens when too much carbon dioxide and other gases trap heat in the atmosphere. These gases mostly come from cars, factories, and burning fossil fuels.

As a result of global warming, the weather on Earth is changing. The ice in the polar regions is melting, and the sea level is rising. Many animals lose their homes, and some places become too hot or too dry for people to live.

To reduce global warming, people can do simple things like planting trees, using bicycles instead of cars, and saving electricity. Governments and organizations also need to work together to protect our planet.

What causes global warming?

A. Too many trees in the forest.
B. Too much carbon dioxide in the air.
C. The melting of the polar ice.
D. The use of electric cars.

ANS: B

20. **Read the text and answer the question**.

30. **Read the text below and answer the question**.

Hexa and I camped in the mountain last weekend. It was very beautiful and very quiet there. The air wash fresh. The location of our camp site was on the top of a hill, so we could see the scenery around us. It was amazing, It was green everywhere. It was also easy to get water as it was near a small river. You see the water is as clear

as a crystal. We brought a lot of food from home. There were some noodles, cans of sardines, soft drink, and biscuits. Hexa brought cooking utensils for cooking noodle.
What was amazing according to the writer of the text?
A. The location of the campsite.
B. The fresh air of the mountain.
C. The scenery around the campsite.
D. The small river in the mountain.
ANS: C

31. **Read the text below and answer the question.**

On the first day, we spent our time setting up tent and exploring the surrounding area. I was happy to find that there were many campers there. At night, after we had dinner, we met other campers. We chatted and played guitar. It was fun meeting people who had the same hobby. It was not frightening at all at night in the forest as it was very noisy that night. We laughed and sang, and some campers even danced. We went to bed almost dawn. No wonder we got up late the following day. We hiked with others campers until afternoon. We did not realize that it was almost 5 in the afternoon and we had to go back home soon. It was really nice. I planned to go there again on the next long holiday. I would ask other friends to join.

What did the writer do on the first day?
A. Slept all day
B. Cooked dinner.
C. Went home immediately
D. Set up the tent and explored.
ANS: D

32. **Read the text below and answer the question.**

Visiting My Grandparents

Two weeks ago, I visited my grandparents in Yogyakarta. I went there with my family by car. We left early in the morning so we could avoid traffic. The weather was cool, and the trip was quite enjoyable.

When we arrived, my grandparents welcomed us warmly. My grandmother cooked my favorite dish, chicken soup. After lunch, I helped my grandfather water the plants in his garden. He has many kinds of flowers and vegetables. I learned how to take care of them properly.

In the afternoon, we took a short walk around the village. The air was fresh, and the scenery was peaceful. Before going home, my grandparents gave me some mangoes from their garden. It was a simple visit, but it made me very happy.

When did the writer visit his grandparents?

A. Yesterday.
B. Last week.
C. Two days ago.
D. Two weeks ago.

ANS: D

34. Read the text below and answer the question.
